

# See in a BETTER light

The ROAM Light™ helps people read, sew and study under powerful, natural light, without needing a plug socket.

- **3 touch brightness settings**
- **Super flexible silicone neck**
- **Cordless freedom**
- **Up to 4.5 hours per charge**
- **5,500K full spectrum light**
- **Integrated light source**

The ROAM Light™ deploys Daylight Wavelength Technology™ to shed a more balanced spectrum that simulates natural daylight with 98% spectral fidelity. It runs on mains or battery power.
